a valued partner.....

India's leading consulting firm.....

a trusted advisor for clients across countries.....

our focus sectors

retail, consumer products & e-tailing

fashion - textile, apparel & engineering

food services & agriculture

education

India's leading management consulting firm with more than 20 years of experience in working with organizations across consumer goods and services.

Founded on the principle of "concept to commissioning", we partner our clients to identify their maximum-value opportunities, provide solutions to their key challenges and help them create a robust and high growth business models.

who are we

We have the ability to be strategic advisors providing customized solutions during the ideation phase, implementation guides through start-up assistance, and be a trusted advisor overall.

Drawing from the extensive experience of close to 125 professionals, Technopak focuses on four major divisions, which are Retail & Consumer Products, E-tailing; Fashion (Textile, Apparel & Engineering); Food Services & Agriculture, and Education.

what we do

Business Strategy: Assistance in developing value creating strategies based on consumer insights, competition mapping, international benchmarking and client capabilities.

Start-up Assistance: Leveraging operations and industry expertise to 'commission the concept' on turnkey basis.

Performance Enhancement: Operations, industry & management of change expertise to enhance the performance and value of client operations and businesses.

Capital Advisory: Supporting business strategy and execution with comprehensive capital advisory in our industries of focus.

Consumer Insights: Holistic consumer & shopper understanding applied to offer implementable business solutions.
